

Annual Report

Greenwood

-1921-

..February 1, 1922..

WE HAVE a Large stock of Men's, Boys' and Youths' Rubbers with leather tops, marked *very low*; also, Men's Rubber Boots, Hood's Bull-eye, sizes 6-7-8 & 10, were \$5.00, now \$3.50. Our store is full of good trades. Much of our stock is being sold much below the market price, in order to reduce stock and get ready for our spring lines, which will arrive soon. We extend to all a most cordial invitation to make our store headquarters when in Norway, whether you wish to purchase goods or not, leave wraps and packages here and make yourself at home here always.

RECOMMENDATIONS

We recommend that schools be maintained in districts 1, 2, 5, 7, 8, 9 and 11, and that the Town so authorize the Superintending School Committee.

We recommend that the school buildings in the Howe Hill and Martin districts so called, be sold and that the money be applied to completing the changes necessary in the sanitary arrangements in the other school buildings in the Town.

We recommend that the amount raised for repairs be enough to cover the cost of changing the sanitary arrangements of two school buildings so that they will comply with the new school law. Buildings at Locke's Mills and Bryant are the buildings under consideration.

We recommend that the following amounts be raised by the Town for school purposes for the coming year:

For Common Schools,	\$3,000.00
High School tuition,	150.00
Text books,	200.00
Repairs and cleaning,	800.00
Supplies,	150.00

MRS. W. B. RAND,

Supt. School Committee,
of Greenwood.

GREENWOOD SCHOOL REPORT

1921-2

To the Superintending School Committee and Citizens of
Greenwood:

I hereby have the honor of submitting my second annual
report.

The splendid effort of the town in increasing the amount
for Common Schools raised by the town to \$4,000. has re-
sulted in paying the overdraft of last year, increasing the
school year to thirty-three weeks, and leaving a balance
at the close of the year.

The average salary of the teachers has been raised but
is still about \$200. below the average for the State. Our
salary scale has been made possible because five of the
schools are very small and we have five inexperienced
teachers.

Of the nine teachers in the town only one is a resident of
Greenwood. Greenwood should produce more teachers.

One-half of the Greenwood City buildings has been
shingled. The other half should be shingled during the
coming year.

Laws passed by the last legislature will have some effect
on our school funds. As high as \$100 per student for high
school tuition may be charged. Probably \$75 per year will
be the limit. The State reimburses the town for two-thirds
up to \$40 a year per pupil, and limits the total to \$600.
Amounts from the State available for common schools will
be increased.

Another new law requires that by January, 1924, toilet arrangements for schools be standardized. Toilets must be connected with the schoolroom by separate ventilated approaches for each sex, and the vaults of earth closets must be ten feet from the schoolroom. To comply with the law changes will have to be made in some of the buildings in the near future. I think in the case of some of the small schools present arrangement, while not strictly complying with the law, are so satisfactory that no change will be demanded. Locke's Mills, Bryant, Greenwood City, and Tubbs buildings will require changes.

The cost of text books and supplies has fallen off a little. These are among the small expenditures for schools. Both together amount to less than five percent of the total.

I wish hereby to thank the superintending school committee for its hearty co-operation. Recommendations, accounts and statistics will follow.

Respectfully submitted,

F. E. RUSSELL,

Superintendent of Schools.

Art. 19. To see what action the Town will take in regard to operating or leasing the Town Farm for the ensuing year.

Art. 20. To see if the Town will vote to accept the sum of \$25 from D. Henry Fifield and a like amount from Mrs. Elizabeth Cummings. Said sums to be held in trust in some Savings Bank or Trust Company and the interest to be expended for the maintenance of the Martin Cemetery.

Art. 21. To see if the Town will accept the list of jurors made up by the Municipal Officers.

Art. 22. To see if the Town will appropriate and set aside from the unexpended balance in the summer roads account a sum of money for putting in a culvert at Herricks' Bridge (so called) and fix that sum.

Art. 23. To see if the Town will vote to buy the Treasurer's Bond.

Art. 24. To see if the Town will authorize the Treasurer to hire such sums of money as may be necessary to pay the current expenses of the Town before the taxes are collected,

and to give notes of the Town for such sums; said notes to be paid from the assessments of 1922, on or before January 1, 1923.

Art. 25. To see if the Town will rescind the vote taken at a special meeting June 8, 1921, whereby it was voted not to accept a section of new road as laid out by the Selectmen on that date.

Art. 26. To see if the Town will vote to accept the location of a section of new road as laid out by the Selectmen on June 8, 1921.

Art. 27. To see if the Town will reappropriate the sum of one thousand dollars, already assessed for building the section of new road laid out by the Selectmen June 8, 1921. This sum to be used in addition to the sum of one thousand dollars to be paid by the Grand Trunk Railroad Company.

Art. 28. To see if the Town will authorize the Treasurer to hire such sums of money, not to exceed the sum of \$750., as may be necessary to complete said section of new road.

Art. 29. To see if the Town will raise a sum of money for building sidewalk at Locke's Mills and fix that sum.

Art. 30. To see if the Town will vote to raise the sum of \$10 for Memorial Day observance.

Art. 31. To see if the Town will appropriate and set aside, from the unexpended balance in the pauper account, a sum of money for painting the Town Farm house and fix that sum.

Art. 32. To see if the town will authorize the School Committee to maintain school in Districts Nos. 1, 2, 3, 5, 7, 8, 9 and 11 or otherwise.

Art. 33. To see if the Town will authorize the School Committee to sell the schoolhouses on Howe Hill and in the Martin District and convey the same by appropriate conveyance.

The Selectmen will be in session at Hotel Hall at nine o'clock A. M. of the day of said meeting for the purpose of correcting the list of voters.

Hereof fail not, and have you there this Warrant with your doings thereon.

Given under our hands at Greenwood this 10th day of February, 1922.

Dr. True's Elixir

The True Family Laxative

Mothers with their home worries are often irregular at meals—have no appetite—are often restless at night—are tired and are troubled with distressed stomachs—need a prompt, pure herb laxative, and such a one is ***Dr. True's Elixir, the True Family Laxative.*** The Business Man is apt to neglect his health; may eat too hurriedly and at irregular hours. Often this puts the bowels out of order—they fail to function properly—causing fretfulness, taking away the appetite, slowing down the active mind. To relieve these conditions, have a bottle of ***Dr. True's***

Elixir handy.

Use it as others have done during the past 70 years.

When the children are out of sight they often eat too many sweets or rich foods. This brings on constipation in many. Watch these symptoms: Constipation, sour stomach, cramps, eyes heavy and dull, bad breath, restlessness, and biliousness. These are common to both children and grown-ups and call for prompt use of a laxative.

To properly cleanse and purify the intestinal tract which is essential to good health; to ward off and relieve constipation and its attending evils use the True Family Laxative,

Dr. True's Elixir.

Keep your horses working

At the present high cost of horse feed, the part-time worker is a distinct loss. You must keep your horses fit for full service whenever called upon. Watch the horse's health as you do your own, and at the first sign of off-color symptoms, get a bottle of

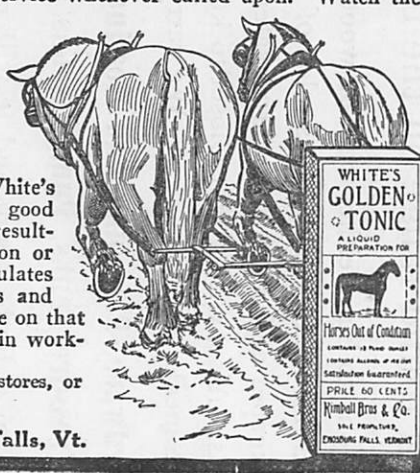

WHITE'S GOLDEN TONIC

and watch his natural vigor return. White's Golden Tonic has a record of making good in the treatment of any horse ailment resulting from impaired nutrition and digestion or lost appetite. This great medicine stimulates the normal action of the urinary organs and liver and purifies the blood. Try a bottle on that out-of-condition horse and put him back in working condition.

Only 60c per bottle at druggists or general stores, or sent postpaid if dealer is out of stock.

Money back if not satisfied.
